Letter from the President, Deborah Bogdan

Although I have been in the insurance industry for 35+ years, my NAHU membership is relatively new. Why? Well, like many agents, I did not fully understand the NAHU organization. I came to meetings and the annual benefit expo however it wasn't until I joined in 2013 that I realized how important NAHU is for our industry and all that they do on our behalf. NAHU is truly our voice in Washington. In addition, the amount of support and guidance they provide their members is beyond amazing. I am very grateful to be a member of this organization and I am honored to be your 2020-21 NEOHUA president.

The 2020-2021 Board of Directors are currently scheduling upcoming monthly membership meetings. We are always open to suggestions so please reach out to one of us if you would like to suggest a topic. While we wish we could be with you in person, we will continue our monthly meetings virtually until it is safe to gather again.

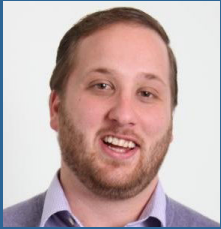

We have included the 2020 Summer Talking points. These are the current legislative priorities of NAHU. If you are meeting with your local congressmen during the summer, feel free to provide a copy of them.

Stay Safe. Stay Healthy.

Sincerely,
Debbie Bogdan
